

Motion

Cinderella®

Cinderella Motion represents an entirely new concept for waste handling in caravans and mobile units. It is now possible to dispose of toilet waste in a hygienic and simple manner. This Toilet uses propane gas and 12VDC

Unique advantages:

- Insertable bowl liners
- 110 g Propane per flush
- 2-Year guarantee
- 12VDC – Touchpad operation
- Child safe
- All that remains is pure ash
- Eco Credentials
- No need for drainage or water
- Optimal incineration process
- Suitable for mobile & off grid applications

Performance

Voltage	12VDC
Stand by power	0.005 Amp
Incineration power	1.3 Amp
Gas (Propane & LPG)	30mBar
Incineration power	3000W (Burning)
Height	540 mm (21¼")
Height (Seat)	490 mm (19¼")
Width	390 mm (15½")
Depth	590 mm (23¼")
Weight	20 kg
Capacity	Up to 6 persons

The installation package contains:

- Inlet pipe 73mmØ - Length 1.25m
- RVS Exhaust pipe 60mmØ - Length 2.5m
- Insulation for flue
- Pipe clamps
- Pipe for air intake 50mm
- Flue cowl

IMPORTANT SAFETY INSTRUCTIONS**SAFETY WARNING:****GAS INSTALLATION MUST BE PERFORMED BY A QUALIFIED GAS SAFETY INSTALLER.**

If the information in the manual is not followed exactly, a fire or explosion may result in causing property damage, personal injury or death.

Please note this must have a cold air inlet from outside your recreational vehicle/vessel.

The air inlet must not be extended or obstructed.

PLEASE READ ALL INSTRUCTIONS BEFORE USING THIS APPLIANCE.

Do not store or use combustible materials or other flammable vapours and liquids in the vicinity of this or any other gas appliance.

WHAT DO YOU DO IF YOU SMELL GAS:

- Do not try to operate any appliance.
- Do not touch any electrical switch.
- Do not use any phone / mobile phone in your building / boat / vehicle.
- Immediately call your gas supplier from a neighbour's phone.
- If you cannot reach your gas supplier, call the emergency services.

Do not repair or replace any part of the appliance unless specifically recommended in the manuals. Improper installation, service or maintenance can cause injury, refer to manuals for guidance. All other servicing should be done by a qualified technician.

- Ask your dealer to recommend a qualified gas safe technician and authorised repair service.
- Install only as per the installation instructions provided in the package accompanying the range. If installation details are missing from the package please contact your dealer and instructions will be provided.
- Never modify or alter the construction or any other part of the appliance.

Lee Sanitation Ltd will not be liable for any property damages, injury or even death as a result of the said above warning statement not being followed.
