

## Stainless Steel Vent Breather Pipe

| A          | B        | C         | D        | E          | F        | G         |
|------------|----------|-----------|----------|------------|----------|-----------|
| 99         | 73       | 142       | 38,1     | 50         | 89       | ø 4,5 x 5 |
| (3 29/32") | (2 7/8") | (5 9/16") | (1 1/2") | (1 31/32") | (3 1/2") | (3/16")   |

**We recommend the  
vent pipe hose always  
rises before it falls to  
the tank as per drawing  
shown**

**LeeSan Part No: 02631**
