

SN Best

Pumped Electric, Macerator Toilet

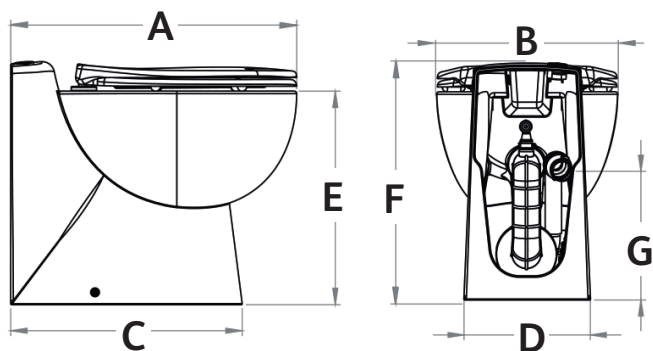

To adapt to the ever-more luxurious needs of the pleasure boat market, **SANIMARIN** has developed the 'BEST' Marine Toilet. Aside from the large domestic size bowl, removable soft close seat and lid and contemporary modern design, this toilet also offers a new, more powerful flushing system. The **BEST** toilet is now **SANIMARIN**'s top of the range toilet, satisfying both the need for modernity and the permanent quest for comfort on board.

- Minimal Routine Maintenance
- Easy to Clean
- Very Quiet
- 2 Year Guarantee

SaniMarin Toilet Control Systems

Saniflo MARINE RANGE

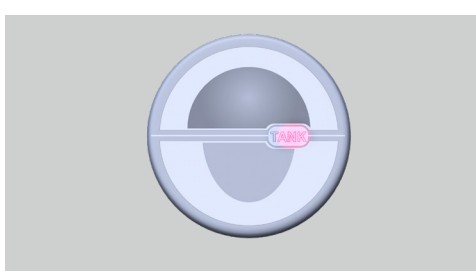

Switch Comfort

A Rocker Switch

- A Flushing position
 - A Maceration - pumping position
- The duration of each cycle is manually controlled by the user and can be adjusted as required.

Button Premium

A Push Button, on Toilet Operation

- Two automatic cycles with adjustable water level (1.6 to 3.4 L)
- Dry mode bowl: press and hold the full flush
- A Tank indicator light showing that the black water tank is full

For easier installation, this system can be mounted directly on the bowl (except for Sanimarin 31).

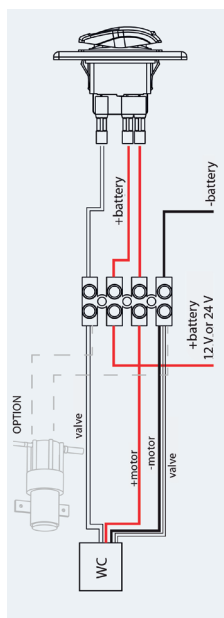

Keyboard Luxe

A Bulkhead Mounted Operation

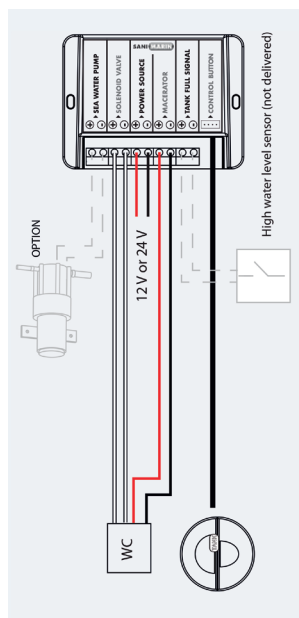

- Two automatic cycles with adjustable water level (1.6 to 3.4 L)
- A Tank indicator light showing that the black water tank is full
- Dry mode bowl: key pressed to empty the bowl completely in choppy seas
