## SANI MARIN

### PUMPED ELECTRIC, MACERATOR TOILET

Quiet and effective.

Discharge is through conventional 1" - 1½" hose. Will discharge to a higher head than most other toilets.

- Operated by a two-position switch:  
 Add water: bowl flush command  
 Pump out: macerate and empty command
- Minimal Routine Maintenance
- Easy to Clean
- 2 Year Guarantee

No other macerator pump achieves the Sanimarin Comfort performance while operating in virtual silence.

The result is a "Comfortable" on-board facility at a very reasonable cost.

### NOTE:

Salt water flush requires an additional, raw water pressure pump.
