

Sanimarin SN35ST

Part No: 02328 ~ 12v, 02329 ~ 24v

SANI MARIN

PUMPED ELECTRIC, MACERATOR TOILET

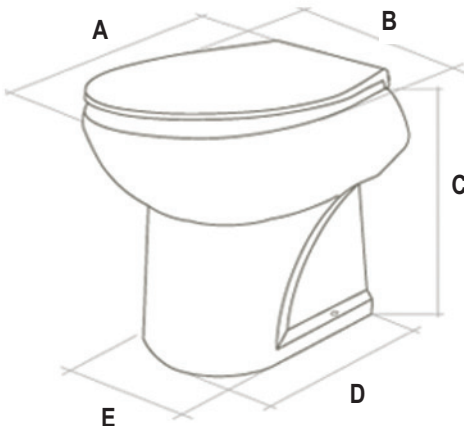

The SN35ST, the straight back version of the classic SN35 toilet, neat and compact in depth for those confined bathroom spaces. Quiet and effective.

Discharge is through conventional 1" - 1½" hose. Exceptionally easy to install with fresh water for flushing supplied by connection into the boat's water pressure system. Will discharge to a higher head than most other toilets.

Quiet and effective. Discharge is through conventional 1" - 1½" hose. Exceptionally easy to install with fresh water for flushing supplied by connection into the boat's water pressure system. Will discharge to a higher head than most other toilets.
