

## Gravity 300 Series

**Sealand**<sup>®</sup>  
by Dometic GROUP

Full-size, light weight, simplified design – perfect for today's market place

**Sealand Dometic** introduces a lightweight yet powerful toilet that surpasses both RV & Marine builder and owner expectations.

The model 300 toilet features easier operation, more comfortable features, and more reliable performance than many other gravity discharge toilets.

Flushing with as little as 1 pint/0.4 liter of water, the 300 delivers a pressure enhanced "PowerFlush" rim wash that clears the bowl virtually in an instant! With a new one-direction pedal, the user presses down slightly to add water to the bowl (if needed), then presses down completely to flush.

The smooth continuous lines of Dometic's new uni-style bowl/base design delivers enhanced visual appeal, and makes routine cleaning much easier.

Part No(Model):	White	Bone
311 Low Profile	311611	311613
310 Standard Height	310011	310013

### Dimensions:

#### 311 Low Profile

A	387mm (15¼")
B	381mm (15")
C	483mm (19")
D	349mm (13¾")
E	375mm (14¾")
F	749mm (29½")

#### 310 Standard Height

A	508mm (20")
B	381mm (15")
C	483mm (19")
D	457mm (18")
E	375mm (14¾")
F	838mm (33")

### Technical Specifications:

Water Pressure	20 - 45 PSI
Water Connection	½" BSP
Discharge	3 in. / 76 mm floor flange, 2-bolt connection

Weight (311)	9.75 Kg
(310)	10.9 Kg
