

WaterMaster

Whale Watermaster Automatic Pressure Pump. For more than a decade we have refined our pressure pump designs to ensure long term reliability and efficient performance.

The Whale Watermaster gives smooth consistent flow at a variety of outlets

High flow rates at a variety of outlets, smooth constant flow Quiet operation, automatic operation - plug 'n' play easy Installation - Suitable for 15mm quick connect plumbing or ½" threaded hose connections, Suitable for use with salt or fresh water.

Fully sealed protective motor housing, completely integrated electronics, IP65 rated - no water ingress, runs dry without damage, includes strainer to protect pump from debris

Model:	Part No:
WaterMaster Pump W-12v (30psi)	04539
WaterMaster Pump W-12v (45psi)	04560

Technical Specifications:

Water Open Flow Rate	11.5 Lts / minute
Number of outlets	3 - 4 outlets
Max system Pressure	30 PSI (04539) 45 PSI (04560)

Dimensions:

A	125mm (5")
B	179mm (7")
C	206mm (8¼")

Water Connection	Quick Female 15mm Connection 2 x ½" Threaded Connectors 2 x ½" Barbed Connectors
-------------------------	---

Max. suction lift	3 m (9 ft)
Max. discharge head	30m (99ft)

Recommended Fuse	7.5 amp Automotive
Current Draw	6 amps

Weight	1.5 Kg
